Summary:

Dedicated Full-Stack Developer with expertise in both frontend (HTML, CSS, JavaScript) and backend (Node.js, Express.js, MongoDB, PostgreSQL). Passionate about user-friendly interfaces and problem-solving. Eager to contribute to dynamic projects and committed to continuous growth in full-stack development.

SKILLS

- DataBase: Experience with PostgreSQL, MongoDB
- JavaScript: Experience with Node.js, Express.js, React.js
- Testing: Jest
- Agile tools: Git, GitHub, Gitlab, Vercel
- APIs: Designing and developing RESTful APIs, API documentation and testing, Integration of APIs into web applications, API security and authentication
- Web Development: HTML, CSS, Bootstrap CSS, Tailwind CSS
- Programming languages: Familiar with python
- Project Management: Strong collaboration & communication skills.

EXPERIENCE

Software Developer @Utiva | Women techster

Lagos (Remote) - 09/2021 – Till Date

- Utilized responsive web design techniques for dynamic websites.
- Led Cross-Functional Design Collaboration
- Developed APIs and web services for seamless data exchange between frontend and backend, ensuring a smooth user experience.

Tools: Node, React, CSS, Javascript, Bootstrap, TailwindCSS, Postgres, MongoDB, Express, GIT

Inventory Manager@AB INBEV AFA PROSERV LIMITED

Lagos (Onsite)- 12/2019 – 07/2022

- Manipulating record data on the database, data Entry and list using Microsoft Excel.
- Time Management and Organizational Skills to meet deadlines, manage multiple records simultaneously, and effectively prioritize tasks.
- Verify inventory computations by comparing the physical counts of stock and

investigating discrepancies or adjusting errors.

Tools: Microsoft Excel, Microsoft Word, DMS

Customer Service Manager @Faslint telecoms

Ogun (Onsite)- 04/2015 – 09/2017

- Provide customer service by assisting customers and responding to customer inquiries and complaints, which gives me a better knowledge of user experience, customer satisfaction, and deep awareness of customer demands.
- Direct and supervise employees engaged in sales, and inventory, which gives me the ability to interact with non-technical team members.

Tools: Admin database, Microsoft Excel, Microsoft Word
